Relax, let HRL take the strain

Recruitment is extremely stressful. Getting the right person for your business is vital. Without the right people your business cannot function and flourish to its full potential, which ultimately puts you at a disadvantage against your competitors.

HRL is the genuine alternative to the usual recruitment agency. The team all originate from a commercial background having worked for large plc's and SME's.

We are only too aware of the frustrations the recruitment process can bring. HRL will take the stress out of recruitment for its clients, thus presenting them with the solution.

HRL ensure that the brief we receive from you is fully digested and completely understood. Before we start the recruitment process we will get under your company's skin, totally understanding your exact requirements and expectations, thereby ensuring that we get the placement right first time. All candidates will be screened, interviewed and suitably tested before we decide that they are a perfect fit for your business.

We will fill vacancies that others cannot

HRL has a substantial and diverse pool of talent, which is held on our sophisticated recruitment database, enabling our team to accurately select candidates to the client's specific criteria.

At HRL we are proud to have built up strong relationships with many businesses both large and small. Each time we take on a new instruction it is like the first time. We are in the people business, this is not a numbers game, quality over quantity.

We aim to supply our clients with excellent customer service and great value for money. We are innovative in our approach to recruitment and are fortunate to have the expertise within our team to find our clients high calibre candidates. It is our mantra to "only source the best".
